Lynell,

Per our conversation today, we have revised the keyline for Hartford Advocate.

Total Sq. area = 130 = Exhibit 4

Original keyline had Exhibit 3 - our production made a mistake, thought it was magazine, the publication is ROP.

We sent the new keyline to your attention via Fed Ex.

NOTE that we had some printing difficulties and the copyright symbol is not showing up. IT IS IN THE FILE, WILL BE ON THE FILM, but I could not fix the problem tonight.

Please let me know if this will require a new stat.

I will forward the other revised stats tomorrow when the problem is resolved.

Call me/Vic if you have any questions.

Thanks,
Lori
